 - Physics – S
- **GCE Ordinary Level**
Wariyapola Sri Sumangala College Kandy

WORK EXPERIENCE

Software Engineer (Freelance)

Pixandco (Pvt) Ltd

Associate Software Engineer

Vital One (Pvt) Ltd (December 2024 – August 2025)

Trainee Software Engineer

Vital One (Pvt) Ltd (September 2023 – December 2024)

- Assisted in the development and maintenance of web applications using Laravel.
- Collaborated with the team to design and implement databases in MySQL and PostgreSQL.

- Gained hands-on experience with Docker for containerization and deployment of applications.
 - Participated in code reviews, debugging, and testing to ensure high-quality software delivery.
 - Worked closely with senior engineers to enhance my understanding of software development best practices
-

PROJECTS

Bicycle-Rent App

In this project developed a Bicycle Rent App Backend. Laravel framework serves as the foundation for a bicycle rental application. It provides the necessary backend functionality, including APIs and database management, to support features like user authentication, bicycle listing according to stations, GPS tracking and emergencies.

- Implemented APIs and a database using Laravel framework.
- APIs handling.
- User Authentication, Authorization.
- Push Notification Using Firebase
- Database store user data, bicycle details, employ data, weather data, stations etc.

Medical Information System (JAVA)

Developed a system that facilitates appointment scheduling can be very useful in various industries such as healthcare

- Use Figma to design sketch design of ux.
- GUI create by java Swing

Japura ICT Mobile Application

- Use Figma to design sketch design of UX
- Use java for develop application

ML Sales Dashboard

Developed a Sales Dashboard, ML for casting for Kelani tire annual sales

- Python
- Dash

Data Categorization & Classification for USA Crime Data Using Power BI & Python

Arduino Based CNC Pen Plotter Machine

OTHER QUALIFICATIONS

- Certificate in Computer Science
 - Advanced Certificate in English Language
 - IBA Campus
-

SKILLS, TOOLS AND TECHNOLOGIES

Languages

- React
- Java
- C
- Python
- PHP
- HTML
- Java Script
- PostgreSQL.
- mySQL
- Vue js

Tools and Technologies

- Power BI
- Figma
- PHPMyAdmin
- Android Studio
- Adobe Photoshop
- Postman
- XAMPP
- Arduino
- GitHub
- Docker

Frameworks

- Laravel
- Next js
